BLUE GROWTH IN PRACTICE

Connecting Sustainable Fishing Tourism and Healthy Environments

Join us to learn more about the link between river restoration measures and fishing tourism in an on-line conference. Results of the RETROUT project will be presented together with expert talks on river restoration and fishing tourism development.

We will try to make the conference as interactive as possible given the present conditions. There will be chat room sessions where you can ask questions to the speakers as well as informative Mentimeter questions.

When: February 17, 2021
8.30 – 15:30 (CET) / 9.30 - 16:30 (EET)
Where: On-line
